

REMARKS

The Applicant has amended the Specification to reference the priority applications and to place the Abstract on a separate page. Claims 1, 2, 4, 6, 10, 18, 24, and 25 have been amended to more particularly point out and distinctly claim that which the Applicant regards as his invention. Support for the amendments to the claims can be found throughout the original Specification, including in the original claims. Specific support for the amendment to Claim 2 can be found on Page 9, lines 3-6 of the original Specification. No new matter has been entered. Claims 1-29 are respectfully submitted for consideration.

No additional fees are believed to arise due to the submission of this Preliminary Amendment, however, the Commissioner is hereby authorized to charge any additional required fees to Deposit Account No. 19-0365.

The Applicant believes that the next step in the prosecution of this Application should be in the form of a Notice of Allowance and such action is respectfully solicited.

If the undersigned can be of any assistance to the Examiner in addressing issues to advance the application to allowance, please contact the undersigned at the number set forth below.

Respectfully submitted,

Michael D. Davis
